To Whom It May Concern:

By statute, all agencies and institutions of the state, including Utah State University, are provided Liability, Property and Casualty coverages by the Utah State Risk Management Fund, located at 5120 State Office Building, Salt Lake City, UT 84114. The coverages provided include:

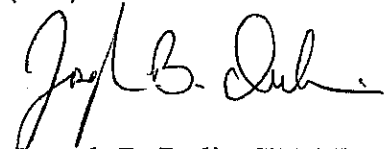

- Property
- Fidelity
- Boiler
- General Liability
- Automobile Liability
- Personal Injury Liability
- Errors or Omissions Liability
- Malpractice Liability

The Property coverage includes property of others in the care or custody of the University. The coverage is for "all risks" except those perils specifically excluded. Losses are adjusted at replacement cost less a deductible of \$1,000.

The Liability coverages are on a per occurrence basis with single and aggregate limits of \$10,000,000 subject to certain sub-limits and restrictions of the State's Governmental Immunity Act as applicable.

The persons covered varies slightly with each coverage, but each covers employees, agents, and volunteers of the University acting within the scope of their authority and assignment.

Questions about the coverage or claims against the University may be submitted to Risk Management Services, Utah State University, Logan, UT 84322-1445, (435) 797-1844.
